CORPORATE SPONSORSHIP

A COMPANY OF GIRLS (ACOG)

empowering youth through the arts.

For over 20 years, with the support of local businesses in our community, ACOG has been empowering girls throughout Greater Portland to find and use their unique and valuable voices.

The cornerstone of ACOG’s programming is our theater productions that are shared with hundreds of friends, family, and the community each year. Through these performances, nervousness is replaced with pride as confidence is built, and months of hard work culminates in the excitement and pride of a job well done. It’s one of our favorite times of our year as we see firsthand the sense of accomplishment that shines through over the course of our performance weekends as girls put their skills in teamwork, creative thinking and resilience to the test.

Will you join us in supporting these girls through this life-changing experience?

Choose a sponsorship level that works for you! All levels include tickets to our annual performances, advertising and logo recognition opportunities in promotional materials and on social media, and a seat at our annual Donor/Sponsor Thank You Tea (coming up on May 4th)!

“SET THE STAGE” SPONSOR ($2500)

Every girl’s a star. Support our mission of making sure every girl gets the traditional opening night flower to celebrate her hard work!

“SAVE THEIR SEAT” SPONSOR ($200 on up)
It takes a village. Help cover the cost for families, friends, ACOG alumni, or other guests, that otherwise could not afford to purchase tickets, so they can support the performers.
